To our council,

We have been Saanich residents for a combined 158 years and living happily at our current address since 1972.

We couldn't ask for better neighbours than the Richmond family. They are a most welcome addition to our neighbourhood and we fully support their application REZ00749.

Sincerely,

Hello,

I understand that Council is discussing the zoning application for 4965 Old West Saanich Rd on March 10th. I am writing to ask that you approve this rezoning request.

At a time when Saanich is working hard to develop new housing, it only makes sense to approve this rezoning. If the zoning is not approved, Council would be deciding that the family with young children should lose their home, and making the current housing crisis worse for the family and Saanich.

We live across the road, and Katrina and Peter are active members of our community. Please know that the neighbourhood supports them and that there is no negative impact on the rural character that would be caused by approving it. Your decision will have an immediate and lasting effect on them directly, but also on members of our community. I sincerely hope you vote to support the rezoning.

Adam Batty
