At a Council meeting held October 28, 2024, Council gave second and third readings to "Zoning Bylaw, 2003, Amendment Bylaw, 2024, No. 10096" to rezone 560 Kenneth Street from the RS-6 (Single Family Dwelling) Zone to the RS-2 (Single Family Dwelling) Zone to create one additional lot (for two lots total) for single-family dwelling use.

Final Reading of the Zoning Bylaw Amendment was withheld pending the authorization of the bylaw from the Ministry of Transportation and Infrastructure. That authorization has now been received, so Council is requested to give final reading to the Zoning Bylaw Amendment which is scheduled for the Council meeting of November 18, 2024.
