Re: Zoning Bylaw 2003, Amendment bylaw 2025, No. 10130. Proposed rezoning for a multi-level apartment building at 3933/ 3925/3921 Quadra St.

Dear Mayor and Council:

I am writing with conditional support for this project. The PDF sent out to residents in the area doesn't specify the specific of 'multi-level'. I just that this means six storeys, in accordance with what is permitted on main corridors.

In the past, I have supported other projects on Quadra St., in the hope that one of them might include a retail space/ coffee bar. Other than the most decrepit Starbucks in the world at Saanich Center mall, there is no neighbourhood hangout. Hopefully this project will have street level retail.

Sincerely

Michael Goodwin
